Izabrana djela za Otok i more 24. međunarodnu izložbu fotografije su fotografije 284 autora iz 12 zemalja u svim fotografskim tehnikama izražavanja. Izložba je priređena pod pokroviteljstvom Zajednice tehničke kulture Zadarske županije.

Ocjenjivački odbor Glavnom nagradom „Otok i more“ nagradio je Daria Maria Simaza za svjetlopis „Windows“. Autor je snimio oblak i prozor, a to je dostatan prizor priče. Raznobojna rešetka kroz koju gledamo sliku pobuđuje nas na propitivanje prizora i objekata na slici.

Barbara Kurtin nagrađena je zlatnom plaketom za crnobijeli svjetlopis „Pred neveru“. Svjetionik u donjem kutu uvodi nas u sliku privezanog broda za rivu. Od malenog svjetionika u podnožju slike autorica nas uvodi u razigrane oblike nadgrađa broda.

Ines Habereiter nagrađena je srebrnom plaketom za crnobijeli svjetlopis „Tunera“. Snimak stupa za promatranje tuna uz morsku obalu autorica je domišljato okrenula crne i bijele tonove, pa je slika dobila noćni ugođaj. Na slici su istaknuti svi oblici i potankosti stupa za promatranje.

Boris Golub nagrađen je brončanom plaketom za crnobijeli svjetlopis „Šetnja“. Na slici se ističe šetačica s psom čiji se likovi ističu u crnom i bijelom tonu. U sliku nas uvodi niz usporednica pročelja zgrade, a sjenke ispresijecaju nogostup šetača na slici.

Ankica Molnar nagrađena je zlatnom plaketom za svjetlopis u bojama „Na mostu“. Snimak prolaznice s kišobranom na mostu u maglovitom danu. U sliku nas uvodi prazan nogostup, a u desnom zlatnom presjeku ističe se crveni kišobran. Nadgrađe mosta simetrično se niže slikom i gubi se u daljini maglovitog dana.

Hrvoje Mahović nagrađen je srebrnom plaketom za svjetlopis u bojama „Kuda plove brodovi“. Autor nam prikazuje pročelje staklene novogradnje koje u zrcalu čini zanimljive oblike. Na plohi u plavim tonovima nižu se vodoravne i uspravne linije od krupnijih do sitnijih u daljini. Dodatnu zanimljivost slici čine streličasto izobličenje linija s lijeve i desne strane niz koje slijedi pogled u daljinu.

Stane Vidmar nagrađen je brončanom plaketom za svjetlopis u bojama „Srećanje“. Snimak vrlo zanimljivog pročelja zgrade s policama na zidu i vratima. Sliku upotpunjuje muškarac na klupi i žena do klupe koje čine susret u zanimljivom ugođaju.

Ocjenjivački odbor podijelio je diplome autorima kreativnih svjetloписа za: krajolik, portret, ljude u okolišu, potankost, životinje, brod, graditeljstvo i svjetlopisne pokuse.

Posjetitelji izložbe vidjeti će slike s prizorima diljem svijeta i raznolikost životnih okružja i prirodnih ljepota.

Ante Jaša

SUMMARY

The selected works for the Island and Sea 25th international exhibition of photography are photographs of 284 authors from 12 countries in all techniques of photographic expression. The exhibition is organized under the sponsorship of The Union of Technical Culture of Zadar County.

The jury gave the Grand Prix Island and Sea to Dario Mario Simaz, authoress of the photograph “Windows”. Barbara Kurtin is awarded with a golden plaque for his black and white photograph named “Before the Storm”. Ines Habereiter is awarded with a silver plaque for his black and white photograph named “Tunera”. Boris Golub is awarded with a bronze plaque for his black and white picture named “Walk”. Ankica Molnar is awarded with a golden plaque for his colour photograph named “On the bridge”. Mahović Hrvoje is awarded with a silver plaque for his colour photograph named “Where ships sail”. Stane Vidmar is awarded with a bronze plaque for her colour photograph named “Meeting”. The jury awarded diplomas to authors of creative photographs for: landscape, people in surroundings, detail, animals, boat, construction and photographic experiments.

The visitors of the exhibition can see pictures with scenes from all over the world and the variety of living surroundings.

Ante Jaša
